DPA Summer Festival 2021 (Incorporating The United Kingdom Closed Championships)

DPA Bournemouth Summer Festival 2021 Press Release

Following yesterday's Government announcement, it is with much regret that after many different plans, options, and headaches, the DPA Bournemouth Summer Festival will not take place in Bournemouth in 2021.

The BIC provided several options, but none that would enable the smooth running of the festival within the building.

It was the upmost importance that the health and wellbeing of all those attending was first and foremost when making this decision

We are currently looking at the possibilities of running a reduced DPA Summer Festival at an alternative venue in the UK over the same dates 23rd/24th/25th July 2021 and hope to have a decision in the next few days, and if possible, we will try and run the event.

We would like to thank all those involved in the hours of work trying to find a safe working event.

For your information The DPA Summer Festival dates for 2022 are confirmed and will run from Wednesday 26th to Sunday 31st July 2022 at the Purbeck Hall in Bournemouth.

Thank you to all those who have, do and will support the Dance Promoters Association
