WDC/AL European Championships to be rescheduled

It is with much regret that we wish to inform everyone that the Dance Promoters Association in conjunction with Blackpool Entertainment Company Limited will be rescheduling the 2021 WDC/AL European Championships due to the current issues brought by the Corona Virus.

This decision has been taken with the safety of the public, patrons, competitors and officials that have supported the event in previous years in mind, and at this present time with the current Government restrictions in place and no immediate announcements due of any changes for the foreseeable future, we feel this is the correct decision for all.

We are currently looking into new dates and will make further announcement's in the coming weeks.

On behalf of the Dance Promoters Association and Blackpool Entertainment Company Limited we would like to say "Thank you" for your support and understanding during these unprecedented times and we look forward to welcoming you back.
