

Newsletter No. 4

Dear Member

At the end of this newsletter you will find a list of forthcoming DPA competitions which will be sent to you from time to time. You are a registered amateur member of the DPA so we are sending you the fourth of several important DPA announcements regarding the competition scene in the UK so that you are fully informed. If you missed any of the previous Newsletters you can obtain a copy from our website at

www.dancepromotersassociation.co.uk

IMPORTANT ANNOUNCEMENT

As I am sure you are all aware much has been happening within the dancing scene in England over the past few months and the Executive Committee of the DPA has been working extremely hard to find workable solutions to benefit YOU the competitor.

The launch of the DPA/BDF Charts we believe is an exciting opportunity to protect dancing in this country as is the launch of the DPA Amateur Membership which is growing in numbers daily.

Because of the high volume we have been getting, the chance to develop and put into operation the Membership cards scheme has been somewhat delayed, but we are working towards this in the very near future and ask you please bear with us during this time of change.

This will in no way stop you from competing in any DPA Member run events and if asked for any membership number when entering then please put on the entry form "DPA AMATEUR MEMBER" and this will be accepted for you to dance on the day.

We hope this may clarify the situation and we will be in contact in the near future regarding the Membership Cards.

Kind regards,

DPA Executive Management Committee
